- Not recommended for use in a surgical setting or where significant exposure to liquid bodily or other hazardous fluids may be expected
- Only sold in full cases (500 units per case, 100 inner poly bags of 5 units each)

DECORATION TIPS

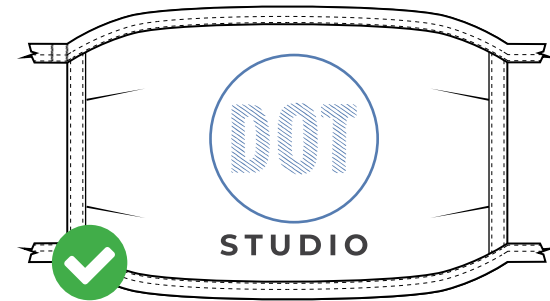

- Measurements account for clamping systems, hooping area and heat press platen sizes.
- A larger decoration area may be achieved with the appropriate equipment.

RECOMMENDED DECORATION TECHNIQUES

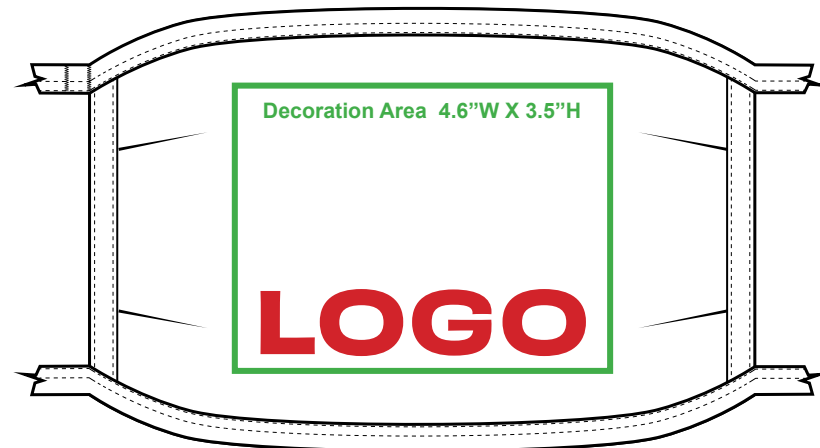

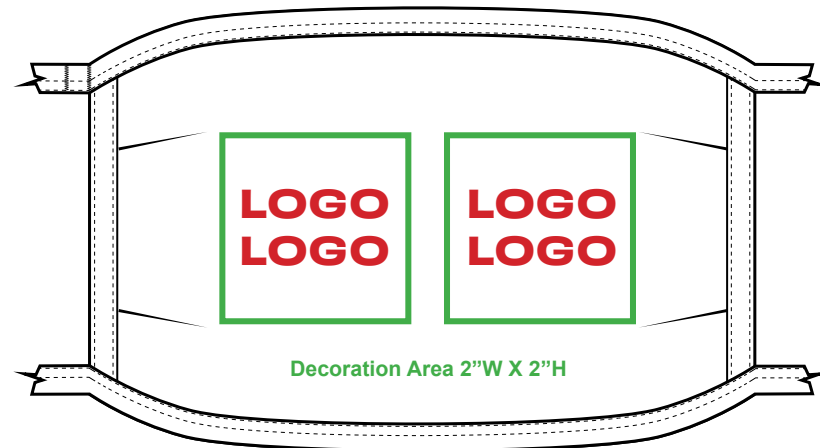

- Pad Printing
- Heat Transfer: Use a press with smaller platens, a print perfect pad or heat press to raise the application area and transfer materials with some stretch
- Screen Printing: Use a water-based or phthalate-free ink, face mask clamp or pocket pallet with a light tack adhesive
- DTG: Depending on equipment used, please consult with your equipment supplier for recommendations

Logos that block the front of the mask could hamper breathability.

Remove the background color for breathability.
